Christmas Parties Have Enormous Impact

God opened the door for nearly 300 children to be reached with the true meaning of Christmas and the greatest gift being offered, Jesus Christ. Christmas Parties and other One-Day Clubs have an enormous impact reaching children who do not have the opportunity to attend Good News Club or 5-Day Club.

**Look to the Future-
God is Working!**

Pray God changes the hearts of principals so they will say YES to clubs at **these potential schools:**

Beechgrove and Kenton (Kenton County)
Newport Independent School District
Covington Independent School District
Ludlow Independent School District

Pray for more school staff to be willing to sponsor a club at their school in Boone County. Contact the office if you want to recommend a school staff person as a sponsor.

You prayed and God listened

Luke 10:2 reads 'And he said to them, "The harvest is plentiful, but the laborers are few. Therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest.'" These are the words from Jesus and they apply to us today. **Pray earnestly for God to send laborers now.**

God did send new laborers. Nearly 40 new volunteers joined the teams to reach children at Good News Clubs last semester. Praise God for answered prayer.

Clubs are growing and schools are responding! More clubs can open if we have more volunteers. Won't you invite your friends to help out at a Good News Club? We need more than teachers at clubs as there are many ways to help.

Good News Club Kids Talk:

Joey asked us to "pray for all the children who do not have anything."

Missy said one day, "I just love you guys!"

"I pray for my brother because he has... 80HD."

"I pray that Meggie starts to talk to God."

Mike Worley teaching Good News Club at New Haven Elementary School in Boone County.

Wordless Book Green Page Grass, trees and CEFNKY GROWS!

On the green page of the Wordless Book we talk about spiritual growth. Trees grow, flowers grow, grass grows (sometimes too much). CEFNKY is growing also. Last school year (9/2018 – 8/2019) we experienced **18% growth in the number of children reached with the Gospel in the Northern Kentucky Chapter.** In September and October 2019 three new clubs were held reaching nearly 100 new children with the great news of Jesus! Other clubs are growing, one of them doubling in size from two years ago! Praise God!
