## YOU! A Positive Force in a Negative World

Last year at a local 5-Day Club in Burlington, a 1st grader received a Bible at the end of the week. Her neighbor reported she often sees the 5-Day Clubber with her Bible in the neighborhood. The young girl was encouraged to share the Wordless Book using colored M&Ms with her friends. **God is working through the clubs, through you, and your support and prayers.**

**You may be asking how you can help.** Well, I am glad you asked. The local chapter needs your prayers for the students attending CYIA in Campbellsville, that God will use them over the summer to share His Word with boys and girls, older siblings, and even parents as they often hang out at clubs. Drivers are also needed for CYIA students to get to the 5-Day Clubs. Visit [CEFNKY.com/Prayer](http://CEFNKY.com/Prayer) for chapter prayer and praises.

**CEFNKY is in desperate need of financial support.** Your supporting donations help by providing gasoline for summer missions, or for sending CYIA students to Campbellsville (each student cost is \$395). Can you sponsor a student? Go to [CEFNKY.com/Donate](http://CEFNKY.com/Donate) to help support CEFNKY so more children can make a difference in their neighborhood.

## What a Turnout at the Bonfire!

The weather was perfect for a great time of fellowship. Potential CYIA students showed up to learn about CYIA in March at New Bethel Baptist Church, Verona. We shared a meal, played lots of games, and sparked an interest in students to join the CYIA summer missions program and then teach at the local 5-Day Clubs. Thanks to all who participated, the organizers (Donna Berra, CEFNKY Committee Member and Laura Noder, Greater Louisville Chapter Local Director), and host New Bethel Baptist with Pastor Chad and brethren.

Look to  
the Future:  
God is  
Working  
in Schools!

God already knows which schools will open their doors to the Good News Club! God also knows the volunteers and students who will attend those clubs. Volunteers are needed! Pray we will be able to meet the needs of children in person through Good News Club when schools open back up.

## Growing Children in the Word – Online?

**God's Word does not stop.** Isaiah 40:29-31 reminds us that, "they who wait for the Lord shall renew their strength; they shall mount up with wings like eagles; they shall run and not be weary; they shall walk and not faint." **ESV Even though Good News Clubs were not held in person this past year, students from around the region were invited to attend the online Good News Clubs.** Lots of creative teaching skills were used teaching this format. **Praise God children accepted Jesus as their personal savior while others grew in the faith.** Thanks to Pastor Chad Brannan from New Bethel Baptist Church, Pastor Dale and Ann Beigle from Turner Ridge Baptist, Committee Member Donna Berra, and Bret and Martha Krebeck for diligently working to make these clubs happen.
