## Why MVP Weekend?

MVP Weekend is a program developed by Child Evangelism Fellowship of Kentucky to prepare 11-13 year-old young people to assist in the *5-Day Club*<sup>®</sup> ministry throughout the summer months. It is also designed to help middle school aged youth prepare for *Christian Youth in Action*<sup>®</sup> (CYIA<sup>™</sup>), a ministry of *Child Evangelism Fellowship*<sup>®</sup> worldwide.

In the action-packed MVP Weekend, young people are trained to teach songs, memory verses, and prayer to children. The weekend also gives the youth an excellent preview of CYIA training, which lasts a full week in June.

All of the teachers at the MVP Weekend are trained through CEF and have been thoroughly screened and approved for ministry with children and young people. They are committed Christian adults with many years of experience dedicated to serving our Lord.

*5-Day Club* is a program designed by CEF that is held throughout the world to reach children in summer ministry. It is a form of a backyard Bible club that is taught by teens. Children are taught about God and His love for them, as well as Jesus and why they need His redemptive love.

Components include songs, games, Bible lessons, memory verses, and missions teaching. It is a vibrant, active ministry designed for children.

*Christian Youth in Action* is a statewide training program for young people aged 13 and up. They meet at Campbellsville University to learn how to lead and teach in 5-Day Clubs throughout the summer. Some teach in their own area, while others travel and teach throughout the state.

One of the greatest benefits for the Christian community is that the youth are trained children's workers who then go back to serve in their churches teaching children about Jesus.
