### Teaching Children Effectively®

Eight teachers and children’s workers completed Teaching Children Effectively (TCE® 1) training to be more effective children’s teachers. Comments from students:

- “This was the best class ever.”
- “I’m telling everyone about the training. All children’s teachers, youth leaders, and others should take this course.”
- “When is the TCE® 2 class going to take place?”

Thanks to CEF of KY Staff who helped to teach over three weekends.

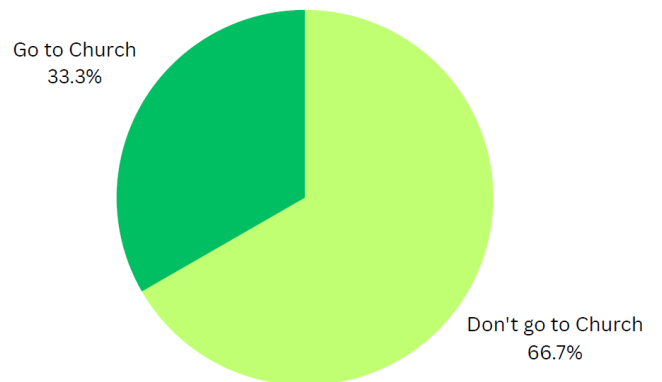

### You Can Impact Kids in your Neighborhood this Summer

**Club Hosts are needed** to open their yard or home for 90 minutes for 5 days one week. The more hosts, the more children can hear the Gospel.

**Drivers are needed** to transport the summer missionaries to and from their club venues.

## Attention Youth: Impact children in your community this summer!

Christian Youth In Action® (CYIA™) will train you in effective and engaging ways to teach children about God. **You will attend a one-week training where you learn to present the Gospel clearly on a child's level, counsel a child for salvation and lead a dynamic club ministry for kids.** You will learn how to: teach a Bible lesson, missionary story, a Bible verse, plus leading songs, games, and a fun review time.

**After this training**, you will join a team of young people to teach clubs in local areas. Clubs take place in the community with mostly unsaved kids who don't regularly attend church. **You will be able to take the light of the Gospel to them** in public parks, backyards, local community centers, Boys and Girls Clubs, YMCA, and other locations. You will teach clubs from two to six weeks during the summer with an option of also serving at the county fair depending on schedules.
