Christmas Parties Have Enormous Impact

God opened the door for over 350 children to be reached at 16 different Christmas Party Clubs where Jesus Christ was shared - the greatest gift we can receive. Christmas Parties and other One-time Clubs have an enormous impact to reach children who do not have the opportunity to attend Good News Club or 5-Day Club.

Club Kids Talk:

Kids are very curious and searching for truth. Some kids have excellent questions at clubs:

- "Who is God's wife?"
- "How do we know Jesus is real?"
- "If I don't sin, will I go to Heaven?"
- "I heard that Jesus was a warrior."

Junior Youth Challenge™

What is JYC™? The JYC™ program is aimed at helping young people in Middle School grow in faith. Generally, the program is 90 minutes long and is held in homes, on school property, in youth centers or in churches, and includes:

Bible study, praise time through music, a missions focus, quiz and activity time.

Use the QR code to register your students for JYC at Carrollton County and Pendleton County's Sharp Middle Schools.

Looking to the Future

Pray with us that God will change the hearts of principals so they will say YES to clubs at **these potential schools**:

Newport Independent School District
Covington Independent School District
Ludlow Independent School District
Williamstown Independent School District

Pray for school staff to be willing to sponsor a club at schools in Boone County. Visit cefnky.com/prayer for more prayer requests and praises.

Contact our CEF NKY office if you want to recommend a sponsor so a Good News Club can take place at that school.

Registration is Open for 5-Day Clubs

5-Day Clubs are filling the calendar fast! Will you be blessed to host a club this summer in your backyard, church, or community center? Contact Martha or Victoria to get your spot on the calendar!

The Harvest is Plentiful BUT...

Luke 10:2 ...the laborers are few. Therefore, pray earnestly to the Lord of the harvest to send out laborers into his harvest." These are the words from Jesus, and they apply to us today. **Pray earnestly for God to send laborers now.**

Several Good News Clubs desperately need volunteers to continue reaching boys and girls. Some of the clubs only have two or three workers.

Clubs are growing and schools are responding! The number of clubs grew to 15 this year. More clubs will open once we have more volunteers!

Will you invite your friends to help out at a Good News Club? Besides teaching, there are many other ways to help such as: serving snacks, leading the songs, and checking the students in and out.

Tasty changes coming this year!
