God is at work in the lives of this Good News Club® family!

Emma, Amanda, Adam, Isaiah and Pastor Lawrence Longworth after the family's baptism

Isaiah received Jesus as Savior at the Sherman Elementary School Good News Club. He was so excited he asked his parents to attend church with him. After a couple of weeks, Mom (Amanda) and Isaiah started attending Pleasant View Baptist Church where she accepted Christ as her Savior. A few weeks later, Dad (Adam) started attending church with Isaiah's older sister, Emma. Dad and Emma also received Jesus!

The family has grown in Jesus through this church. Now Mom and Dad are married, and the family were baptized together. Since then, Amanda and Adam have invited dozens of people to attend Pleasant View Baptist Church in Crittenden. God is definitely at work in the lives of this precious family. THANK YOU for making this family's transformation possible! (This article was featured in the CEF International Impact Magazine. Praise God for His goodness.)

Do you know what your children are watching?

Children are bombarded with social media sites with questionable content that is not always in their best interest.

We have Good News for you! **U-Nite TV™** is a **FREE** app for you to download and install for your children, grandchildren, neighbors and friends. This app keeps them away from YouTube. Top quality CEF® videos, songs, stories, scripture, and more can be viewed anytime through this exciting app. Click the QR code to get started. And remember to share this with everyone you know. Your kids will love this exciting app!

"I will instruct you and teach you in the way you should go;
I will counsel you with my loving eye on you." Psalm 32:8

Good News Club Update

304 children were enrolled in GNC during the recent Fall Semester.

Twenty-three children prayed to receive Jesus with some being baptized and attending church for the first time.

Thanks to CEF NKY volunteers, donors, and prayer warriors for allowing God to work through you to change the lives of children.

Christian Youth in Action™ Game Night

Pastor Raul from Centro Cristiano Bethel is ready to flip the cupcake papers at a recent Christian Youth in Action (CYIA™) event held in December. Fifteen teens and young adults attended the event to learn about summer ministry opportunity serving at 5-Day Clubs®.

If you want to plan a CYIA Game/Information night for your youth, contact CEF NKY to set up a date. Victoria and Martha will come with all the supplies, energy and snacks to make your event fun for everyone!

Kids learned “Whose Birthday Is It” through Christmas Party Clubs

That was the theme of this year’s Christmas Party clubs where over 200 kids in the community outside of school clubs heard the truth about Jesus’ birthday. God opened the doors to allow CEF workers to be in clubs where they don’t normally meet. Children had amazing questions, were quite attentive and had lots of fun playing the games. Thanks to all the volunteers for your excellent service to God and kids in our communities.

The Harvest is Plentiful BUT...

Luke 10:2 “...the laborers are few. Therefore, pray earnestly to the Lord of the harvest to send out laborers into his harvest.” These are the words from Jesus, and they apply to us today. **Pray earnestly for God to send laborers now.**

Several Good News Clubs desperately need volunteers to continue reaching boys and girls. Some of the clubs only have two or three workers.

Clubs are growing and schools are responding! More clubs will open once we have more volunteers!

Will you invite your friends to help out at a Good News Club? Besides teaching, there are many other ways to help such as: serving snacks, leading the songs, and checking the students in and out.
