Luke 10:2

And he said to them, "The harvest is plentiful, but the laborers are few. Therefore, pray earnestly to the Lord of the harvest to send out laborers into His harvest."

Munch at the Committee Crunch

God wants us to have more committee members. So, if you have a heart for children to hear the Gospel, then just come hungry to chow down and chat with CEFNKY local committee members. Maybe God wants you to be the next new member! September 14th at 6pm. Call the office to RSVP and for details to attend.

Children's Lives are Turned Around

CYIA students worked hard in the summer heat to share the Gospel with kids at six 5-Day Clubs and four Kick Off! Soccer Party clubs. This year's theme: *Turned Around*. Over 200 children attended the clubs with more ministry opportunities still to come. Lives were "Turned Around" as some received Jesus. Praise God for our CYIA and Jr. CYIA students who share a passion for children.

Happy Anniversary USA!

250 Years Being Free to Praise the Lord!

Impacting the Next Generation

Seven Northern Kentucky teens and young adults attended Christian Youth in Action® (CYIA®) training with 45 other students from around the state at Campbellsville University in June. Nine students attended one-day of training for Jr. CYIA in Northern Kentucky to help CYIA students teach at summer clubs.

CYIA is a program that teaches about servant leadership. Students saw their faith and commitment for ministry grow deeper as they prepared to become summer missionaries. Students learned to lead the 5-Day Clubs while learning Bible Lessons, Memory Verses, Missionary Stories, Songs, and lots of games. They learned how to share the Gospel through the Wordless Book and to counsel a child to make a decision for Christ. Learn more about CYIA at cefnky.com/cyia.

Good News Club®: Real Faith in Action

Besides summer ministry, July is the time to contact schools, parks, community centers, and other locations about hosting a Good News Club. Jeff Nichols, VP of USA Ministries, recently reminded staff and volunteers that schools are not the mission of CEF. CHILDREN are the mission. This school year CEFNKY has three new potential clubs taking place outside of schools. Volunteers are needed to support these clubs, plus new clubs inside of schools. To learn more about the Good News Club and volunteering, visit cefnky.com/events.
